

## **REGARDING THE ADDITIONAL SUPPORT GRANT FOR LOW-INCOME HOUSEHOLDS IN 2024 (CHILDREN'S ADDITION)**

To alleviate the burden caused by rising prices of energy, food, and other items, households that have already received the additional support grant for low-income households in 2024 (30,000 yen per household) will receive an additional 20,000 yen per child if the household is raising a child under 18 years old.

### **GRANT AMOUNT**

20,000 yen per child

### **HOUSEHOLDS ELIGIBLE FOR THE GRANT**

Households must meet the following two conditions:

- ◆ Registered as residents of Sue Town as of December 13, 2024.
- ◆ Have received the additional support grant for low-income households in 2024 (30,000 yen).

### **HOW TO APPLY FOR THE GRANT**

- ◆ The grant will be transferred to the account that received the additional support grant for low-income households. In principle, no application is required.
- ◆ The children's additional grant will be transferred together with the 30,000 yen grant for each household.

### **HOUSEHOLDS THAT NEED TO APPLY**

The following households need to apply for the grant. Please visit the Childcare Support Office for assistance.

- ◆ Households that moved out of the town after December 14, 2024, and have a newly born child in their new location.
- ◆ Households that are raising a child from another household (provided the child has not received a grant from any municipality).
